

2017 Waterside Series

Important Notes when paying by Online Banking:

Use of "Online Banking" to pay for your Waterside 2017 entry

- 1) Entry Form must have arrived by GPO post on or before the Wednesday prior to your first Race, or 4th Feb 2017 if entering the Series or Race A is your first.
- 2) Online payment must also be showing in our bank account on the Wednesday, before the event. Advice: Allow 3-4 Banking days for the Transfer as not all payments are set to transfer via the Fast Payment method.
- 3) The entry form is the key document. If this is not received by the Wednesday prior to the event you will need to pay the additional LATE ENTRY FEE.
- 4) There is NO race entry advantage or disadvantage by electing to pay online as opposed to paying with a cheque.

5) **IMPORTANT:** Please use the following information when making the payment:

Sort Code: **30-95-89**

Account Number: **45987168**

Reference: <Paddler1 Surname> <Class> Eg.: **Williams 11**

This Reference needs to be as above regardless of who makes the payment.

The Reference has a limited number of characters so please adhere to this guideline otherwise we may not be able to match your payment to your entry. For K2 entries please use the Surname of the First named paddler on the entry form.

- 6) On the Entry form please tick the Box stating that Payment has been made online (Next to the signatures)

This statement is in line with Rule 26 allowing us to implement this additional payment method.

Additional Note: Please refer to the Information Sheet for further information regarding the priority preference awarded to Series/Race A entries as entries may be limited depending on demand.
