CANCELLED

NEWBURY CANOE CLUB - WATERSIDE SERIES 2012

This event unavoidably cancelled due to the course from start (Great Bedwyn) to finish (Newbury) was completely covered with a thick (over 1 inch in places) layer of ice throughout.

Note: this will have a knock on effect in that the Series trophies etc will be awarded but on the remaining three races. Also this will nullify any Series records from being achieved this year (2012).
